Regional report to meascna area may 4th 2025

Hello family addict named Justin here. I would just like to report that I attended regional Viva Zoom April 12th and April. 13th, 2025. Some of the main highlights that I would like to report that I feel that our area might be interested in is that our regional delegate alternate. Submitted a report that he attended the Midwest zonal area meeting in Michigan and their focus was on unity and how to keep newcomers with 5 years or less involved with service. But that's not what stood out the most, one of the main things that stood out to me in his report was that the tri-state region. Has made ways to expand the way members can Donate 7th tradition to groups, areas and regions through Viva Cash App, Venmo, Zelle or PayPal with QR codes or barcodes made available to members. because of this, donations have gone up 71% in their region.

Maybe our area would be interested in incorporating this idea. Thoughts?

Public relation news. Public Relations is planning OCNA Service-Learning Day. The OCNA PR workshop will be held at 1:45 PM on Saturday, May 24th and. In my McCloskey room on the second floor At the Warehouse Hotel, 600 NB St. Hamilton, OH 45013.

I'm not going to go too much into H&I, or probably not at all since. Todd S attended the Region H&I meeting and is part of the subcommittee there, so I'll let him do those reports.

Ohio Region outreach news. Our very own Mattie reported that he has been attending area events around the Ohio region, getting to know the area members on a more personal level and finding ways that region can help them. Orscna committee members seem to have a problem with Matties approach on this, their claim is that outreach should not be doing that and should only be attending their ASC Meetings only to offer support, which I'm not saying they're wrong in this matter, as RCM of our area, I don't see the harm in matties approach, and personally I'm grateful for Matties willingness to be of service to the Ohio region and NA as a whole.

In other news the 12 Step Fall Retreats First Committee meeting has been set for May 10th at the Spring Traditions Retreat event at Tar Hollow State Park this upcoming week. All Upcoming event information is on the naohio.org website. And can be found there in relation to ocna 41 and the tradition retreat.

In conclusion, one of the reoccurring themes of region seems to be that some areas get stronger others get weaker. Ether from a lack of support from recovering addicts or from recovering addicts having the willingness to be of service. Ever reminding us that that the individual addict Service does matter. In loving service Justin G

I am still waiting for the tablecloths from Dush. We have an event on Saturday for the Licking County Steps of Change. I will pay the \$25 fee for the table, as previously discussed. I will submit a receipt to Heather for reimbursement. I have volunteers to sit behind the table.
