She wants to step down and allow rotation.

He attended two meetings this last month. The new JFT meeting in New Concord is Monday night. When he went to the meeting there were only 4 in attendance. They only have one key holder and it's hard to get to the area meeting for the one key holder. He also suggests the area to give them some literature.

He asks that all schedule changes or any updates needed please send them to him directly so that he can fix it. He has made some changes with world and has updated the website.

Old Business

Heather says we do recover anniversary was a great turn out. They raised 570\$ in an auction. \$300 went out for group funds.

Joe said the talent show in Lancaster went well and Andrew won.

Cylinda nominated Terry for Vice secretary.

Doug- No dogs are allowed in the area meeting and there are no exceptions. He needs someone to put schedules at the police stations. Chad stepped up and said he can and so did Mattie. They will make a group chat to keep in consistent contact with one another regarding the schedules to go to the police stations.

Blake made a motion for sign out sheets and sign in sheets for borrowing from the area. Motion 23/14 17 APPROVED and 0 obtain

Doug states we are getting down to our prudent reserve and when we get to that amount we cannot spend any money.

Jeannette let everyone know since the first monday is new years there will not be area meeting till the following Monday.

Jackie needs help to know where to get shirts made for her homegroup.

H and I are in need of a vice, outreach needs a vice. All recommendations are online for any position you are interested in.

Dave asked if it was possible for us to switch our monday meetings.

Mallory wanted to know if the area could donate five NA basic text books to the group. Angie states she has plenty of funds from Service junkie meeting and can get the books.

New Business

Angie- about the area meeting being changed from mondays.

Katie- we could zoom or meet in person Hybrid is an idea.

Brandon- it would be very hard to zoom properly. Everyone would need computers and tvs.

Mattie- Region has an OWL they use.

Angel- it is very costly for just a few people.

jeannette- Can we make it an alternative so everyone can make it to the area meeting.

Dave- Members have come to him multiple times to get help in order to make it to the area meeting.

Brandon- Someone can volunteer to take a report to their meetings.

Angie had money left from the service junkie event and donated 10 books to Mallory for her meeting.

John- The winter party did not have a good turn out. He is also working on starting a new meeting on Mondays in Zanesville.

Ryan and Angel are willing to get into the vice chair for activities that Katie wants to step down in October. She will add them to a group chat so they can stay in contact about everything.

Mattie has Bob R. nomination form for Vice H&I.

Blake- Feels hes a good candidate.

Motion by Mattie for Bob R. for Vice H&I

It is Approved!

Heather- We need to add a hawk committee. Then we need to have a policy revisal every so often. She states that 5-6 people from the region do an audit. The policy hasn't been revised for five or six years. We could revise a policy in a few meetings and last time it was too short. Audits hold us accountable.

Blake- How do we go about voting for the chairs for audit and policy revisal.

Blake motioned to do an audit with Heather and Doug with 5 additional people with at least 6 years clean. Take it back to your home groups and bring motion forms back with you. Have it done by the deadline of May of 2024.
