### **Old Business**

David- is starting a new meeting on Wednesdays and wants a new starter pack. Doug stepped forward to donate his starter pack. Shannon- No Matter What group is moving the first Friday of November it will be in new lexington on 128 south high street. The third Friday is a campfire meeting. Joe Adam- All Lancaster meetings are shut down except hug life.

Jeannette- Lighter sub committee, GSR's submit your order forms with William and Doug. If you need Will's number please get it. He will help you with the total price ahead of time also.

Henry- asked about the traditions due to the church they are using for meetings asking for people to donate time to help with labor. In conclusion, volunteering is not required but is ok to do. set boundaries and have no affiliation with them.

### **New Business**

Heather M.- Her and Doug will be presenting lit. and merch. together.

Doug has been selling literature since 1995 till this present time. Doug started this journey out of a trunk in his car; he went from 200 dollars to 33,879 dollars. Doug is stepping down from doing literature and merchandise.

Heather audit is hard to determine merchandise. The suggestion is 400\$ outside of the bank 200\$ for merch. and 200\$ for lit. She suggests doing an audit every two years.

Blake states while Doug is done doing merch. and lit. We need a temporary solution.

Dave- Why do we have a 100,000\$ net worth and we do nothing with our bank account. This kind of money is a big deal, this isn't something a volunteer should do. We should change this, Why don't we?

Justin G.- To carry the message and supply literature to people in recovery.

Jeannette- Do we need to change what we are doing and have done instead of a power house for literature and merchandise.

Chad K.- I am grateful that I am able to go down the street to get my literature. That kind of money we should be donating to addicts if not, why keep that kind of money?

David we provide all literature.

Ken- You only keep what you have by giving it away.

Dave D.- It is very hard for someone to handle literature and merchandise. I didn't mean to stop selling literature.

Heather M.- Who is going to keep the check book and everything?

Angie H.- Heather has to keep the checkbook and every purchase or check has to go through Heather.

Doug - We set up literature and merchandise to give it away, that is what it was intended for. The money is to carry the message.

Blake- It is not what we spent it is what we sell it for and anything after that should be given away.

Chad suggests going to Ripley to sell what we can and go from there.

Motion made for no more merchandise until after the policy meeting and keep literature the same.
