New Business

Carey H- new meeting in logan is asking for a welcome packet, we care is having their speaker jam on august (th

Crystal B - Service junkies is in need of speakers and service for their event

B from meeting in gambier is asking for a welcome packet, reporting that they don't have anyone lined up to run their meeting for the summer.

Blake H- reports that in policy groups get a 10% discount for literature, also that if we are getting a new tablet we need to get that resolved as soon as possible, the decision that we made at the policie meetings to deal with this as an area body because it is in the policy now. Dave D reports that s whatever the price is they need to just move the decimal to do that . Also his homegroup was overcharged \$57 for literature. He said he can deduct that next month . Jayden reports if your group was over charged then wouldn't every group have been over charged then? Jeanett reports this is a valid grievance , also maybe we need to come up with a new order form > with the 10% deduction but with doug not being here it is hard to resolved, Garret reports we do have records of the merchandise / literature sold this evening, Dave C asks who is in charge of that> Jeannette answers we do as an area body. Blake reports its really easy if we get the right system in place we just need to implement the new policy . We have to put it into action because if we don't it's going to be the same issues that we have continued to have. Chad reports we need doug here to set this in place. Heather M reports when they went to the bank there is a bank acct set up for activities and for literature and merchandise. Angel M reports that she and Doug have had conversation that Doug has stated he is incapable of being taught to input date, therefore someone on that subcommittee will need to input this data. Chad said if Doug is unable to fulfill the position then possibly needs to bring a committee member up to input that data, and that we as an area body need to come up with a decision to get this resolved. Dave D reports that it is in policy to do this . Dave Diley makes a motion for 5125 to purchase a POS system that bradon recommends that we need to get done what we need done .

14 for the motion . 0 against 1 abstained . motion passed.

Justin G - when he goes to regional and they ask him to bring back motions to homegroups are we supposed to ask the homegroups to vote for people and positions that they have zero knowledge about. Or is he allowed to vote for the area body because he has knowledge of these members and their positions. Dave C reports that because we voted Justin into this position that he should be trusted with the voting for our area body, Chad asked we don't need to vote on this right ? no one objected to this. Justin asks do we want to vote on this cash app? Mattie reports that there has been a 71 % increase in payments since this has been implemented and that he finds this impressive.

Angel M- 5-2-25 reports that someone from stantonville requests that we donate 10 basic texts. FOR 14, unanimous.

Chad reports we need to make a list for what we need Doug to complete from today's meeting , 2 welcome packets , and 10 basic texts.

Janice D- reports that the ties that bind are in need of literature. She is wondering if groups can assist with the money because they don't know what happened with the meeting money from before? Chad reports they can donate 5 how and whys. Jeneatte reports that love ya lots can probably donate 5 of the books that real deal doesn't vote for, Dave C reports he will donate 3 basic texts and 3 how it works and whys. He also thinks the meeting money got packed away when he moved. Mattie is asking that we do a 7th tradition for the meeting Jeanette asks what else do you need? Janice said just about everything . CHad informs Janice that homegroups will vote on assistance. Dave c reports he thinks it was 68 dollars and he can cash app the money.

Open Forum
